THE GATEWAY™ SERIES

THE GATEWAY™ SERIES

The Gateway is a horizontal wall mount over-the-door fixture intended for interior and exterior applications. The sleek appearance of the fixture creates an added visual appeal to any building facade.

The Gateway Series is suitable for:

- Building Facades
- Vandal-prone areas
- School/Universities
- Libraries
- Manufacturing

The Gateway Series is covered by our New Star Promise.

Our promise means we will repair or replace any of our High Abuse or Vandal Resistant architectural luminaires when installed according to our instructions for the life of the original installation if the fixture should fail due to physical abuse.*

*Exclusions to the New Star Promise are gunfire and chemical reactions

The Gateway Series offers field installation flexibility allowing light to be positioned right where you need it for the most effective egress lighting. With our patented adjustable locking mechanism, the optical chamber can be set in five different positions upon installation (-25° , -12.5° , 0° , 12.5° , 25°).
