COMPLETECARE™ LUMANIQUE SERIES

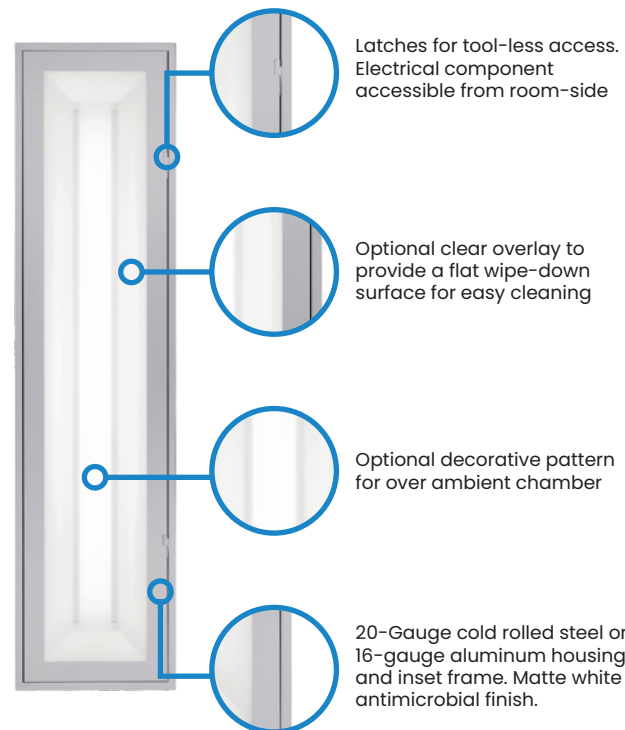

COMPLETECARE™ LUMANIQUE SERIES

The Lumanique Series was designed to support and create a welcoming atmosphere for the patient, and provide proper lighting levels for care-taker tasks.

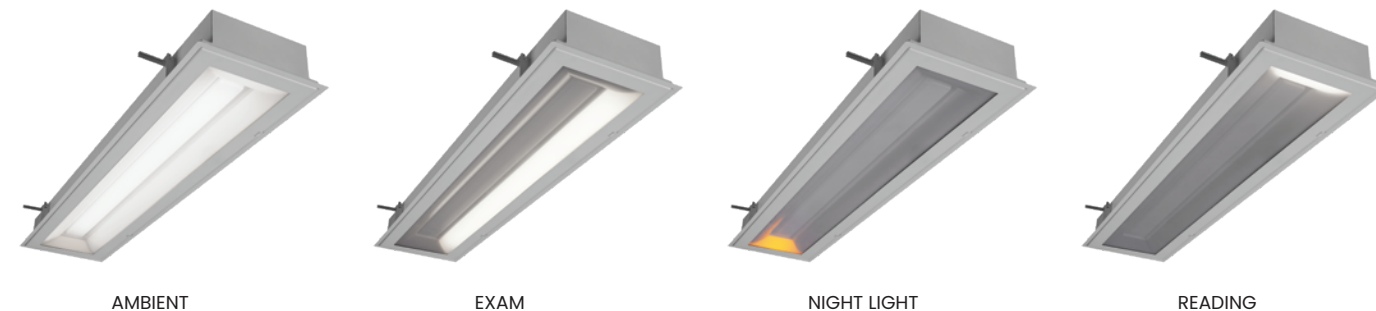

The Lumanique can be tailored for specific job requirements by mixing and matching different features including function configurations, lumen packages, various correlated color temperatures and CRI options.

Customize Lumanique by mixing and matching functions, lumen packages, various color temperatures and CRI options.

The Lumanique™ Series offers multiple functions making it the perfect solution for healthcare providers looking to support it's care-takers and patient's various tasks with proper lighting.

ADDITIONAL FEATURES INCLUDE:

- Available in 1x4 pair, 1x4 standalone, 2x2 or 2x4
- Constructed of cold rolled steel housings and framing with continuous seam welds
- High transmittance acrylic lens for maximum diffusion
